						that was watching the	
			SG1B			Eastern Missile test	
			This is the first time he			range. He also des-	
			has worked this area.			cribed antenna arrays	
						in the area again. He	
						stated that there are	
						computer people in this	
						building. These are	
						both military & civili-	
						an at this bldg.	
			NOTE: This project continuously suffered from				
			lack of interest/concern on the part of the				
			supporting analyst. The analyst failed to keep				
			numerous appointments, failed to provide tar-				
			geting info, and, overall, did a very poor job				

in reviewing the info we provided him.
